

WHOLE SCHOOL UNIFORM POLICY

1 Introduction

All students at New Hall School, up to and including those aged 18+ in Year 13, are required to comply with the *School Uniform Policy*. The *School Uniform Policy* includes the Sixth Form dress requirements, which are referred to as the Sixth Form Dress Code. The Principal is responsible for such matters as uniform and dress code.

Wearing uniform/ dress code (hereafter referred to as uniform) gives a sense of unity and identity. It marks the School as a working environment and students are expected to look neat and business-like.

It is a condition of remaining at the School, that parents and the student accept the School regime, and the rules as to appearance and dress that apply from time to time. Misuse of uniform and lack of care over one's appearance affect the general environment of the School, sending messages contradicting the purpose of the School and reflecting adversely on the community, of which all students are members. A breach of the School Uniform Policy will constitute a disciplinary matter. Sanctions will be given in accordance with the School's published disciplinary policy. Careful consideration will be given to the severity of the breach, before determining whether any sanction is required. In the vast majority of cases, this will merely involve a member of staff speaking with the student concerned. The most serious breach of uniform policy will constitute a refusal by a student to comply with the policy, either by refusing to wear specific items of the uniform or insisting on wearing additional items of clothing. As a Catholic independent school, the School reserves the right to insist on high standard of uniform, which uphold the School's Catholic values and principles of modesty and a quality. If a parent/student wishes to request a variation to the uniform for religious reasons, the request must be made to the Principal. Prolonged and persistent breaches of the School Uniform Policy may lead to parents being asked to remove a student, if the prolonged and persistent breach adversely impacts on the School's ethos and aims.

Uniform is primarily the responsibility of parents, who are asked to ensure their child observes uniform regulations and has the necessary clothing, clearly named and in good condition. Help in these matters is given to overseas students whose parents pay a clothing maintenance fee. All items are available from our uniform suppliers, Schoolblazer, via their website: www.Schoolblazer.com.

The *School Uniform Policy* at New Hall School is reviewed at least every two years by the Governors, who may consult with the School's Senior Leadership Team (SLT). The views of staff, parents and students are sought, and form part of the regular reviews by SLT. The purpose of the review is to ensure that the School Uniform Policy promotes the Catholic ethos of the School, as published widely in the School's literature.

Please see a copy of the Uniform List for full details of the Preparatory and Senior Divisions' Uniform Dress Code.

2 Preparatory Divisions

As ambassadors for the School, and in order to promote self-respect and a positive attitude towards others, pupils are expected to present themselves neatly at all times, with zips and buttons done up and shirts tucked in.

2.1 Winter & Summer Uniform

For the first half of the Michaelmas Term, either summer or winter uniform may be worn. For the second half of the Michaelmas Term and the duration of the Lent Term, winter uniform must be worn. Summer uniform must be worn for the Trinity Term.

2.2 Labelled/Named Uniform

All clothes must be marked with the child's name; labels are available from the school uniform supplier, Schoolblazer, or from Stickins at www.stickins.co.uk. The labels should ideally be printed with the child's name in lower case with a capital letter at the beginning to reflect how the children are taught to write their name in class. Uniform will be checked for names at the beginning of each term. Missing, incorrect or unnamed uniform is communicated to parents via email. If, following the issue of a second reminder, no action has been taken by parents, the Head of Division will be informed.

2.3 Hairstyles

Long hair should be tied back, length permitting, and hair accessories should be red or black. Hair gel and high-fashion hair styles, such as partly-shaved styles are not permitted.

2.4 Jewellery

No jewellery, excluding one set of small plain gold or silver stud earrings (one earring per earlobe only) or nail varnish may be worn in school. Children may wear a small plain analogue watch from Year 1 upwards. Apple watches, fitbits and similar technology are not permitted. If parents wish to have their child's ears pierced, this will only be permitted during the summer holiday.

2.5 Blazers

Preparatory Divisions pupils are required to have their blazers in School at all times. These must be worn when they attend Assemblies, Mass, move around the site and when they go to the Refectory.

In the Trinity Term, if the weather is particularly hot, pupils will be notified when they may remove their blazers and ties.

Whilst we no longer stipulate hair being a particular grade in terms of length, hairstyles should not be extreme in nature, include unconventional designs, unnatural colours, or be of an excessive length, particularly over the face.

In Middle Division, shoulder length or longer hair must be tied back or clipped back so that it is 'off the face'.

In Upper Division, Hair may be styled as preferred; however, if worn long, we recommend securing it away from the face. For Health & Safety reasons, hair will need to be tied back

for certain lessons such as Science, Technology and Physical Education; students must ensure they have appropriate hair accessories at School with them for this purpose. With regards to beards and moustaches (except where consent has been given on religious grounds for beards or moustaches), students should be clean-shaven.

3.9 Make-up

No make-up may be worn with uniform except for the following:

- Foundation/concealer (this should be natural looking and not heavily applied;)
- Lip balm (this should be a natural colour)

3.10 Coats

During cold and/or wet weather non-ostentatious coats should be worn (e.g. no logos, labels or bright colours. We recommend that coats are black or grey). It is our expectation that under the coat must be worn a jacket which confirms to the trouser or skirt uniform policy, as mentioned above.

Sixth Form students are allowed to wear suits that are smart and appropriate for a professional office environment. Students are expected to dress modestly at all times and no excessively ostentatious appearance is allowed. Guidance about what is and is not suitable in accordance with the School's dress code can be sought from the Head of Sixth Form or Deputy Head of Sixth Form.
