3	Admission and Entry to the School
----------	--

- 3.1 **Registration and Admission:** Applicants will be considered as candidates for Admission to the School when the School receives a Registration Form completed by the Parents together with payment of the non-returnable Registration Fee (as stated on the Registration Form). Admission will be subject to the availability of a place and the Student and the Parents satisfying the admission requirements at the relevant time (as detailed in the *Admissions Policy*). Admission occurs when the Parents complete the Acceptance Form to accept the offer of a place and pay the Acceptance Deposit (see clause 3.3). Each person with Parental Responsibility for the Student is required to sign the Acceptance Form.
- 3.2 The School is entitled to treat any instruction, authority, request or prohibition received from one Parent as having been given on behalf of all the Parents and therefore on behalf of all those with Parental Responsibility for the Student.

- 3.3 **Offer of a place and the payment of the Acceptance Deposit:** The Acceptance Deposit will be payable when the Parents accept the offer of a place. Other than where the Parents exercise their right to cancel in accordance with clause 9.7, the Acceptance Deposit is not refundable if the Student does not take up their place at the School. The Acceptance Deposit will be retained in the general funds of the School until the Student leaves and will be repaid without interest after the Student's last Term after deduction of any amounts owed to the School unless stated otherwise in this Agreement. Please also see clause 9.8 which explains what you need to do if you wish to withdraw your acceptance of a place **before** the Student joins the School.
- 3.4 **Additional Deposit:** For reasons of administration, the School reserves the right to require payment by the Parents of the Additional Deposit in the case of a Student whose normal residence is outside the United Kingdom. The Additional Deposit will be retained in the general funds of the School until the Student leaves and will be repaid without interest after the Student's last Term, after the deduction of any amounts owed to the School unless stated otherwise in this Agreement. Please also see clause 9.8 which explains what you need to do if you wish to withdraw your acceptance of a place **before** the Student joins the School.
- 3.5 **Equality:** The School is a Catholic independent, boarding and day school for boys and girls aged from 1 to 18 years. The School has a Catholic ethos and welcomes staff and children from many different ethnic groups, backgrounds and creeds. At present, the School's physical facilities for the disabled are limited but it will do all that is reasonable to ensure that the School's culture, policies and procedures are made accessible to children who have disabilities and to comply with its legal responsibilities under equality legislation in order to accommodate the needs of applicants and students who have disabilities for which, after reasonable adjustments, the School can cater for adequately.
- 3.1 **Immigration:** The School currently holds a licence to sponsor international students under "Child Student Visa Route". The Parents must inform the Principal when returning a completed Registration Form or at any other time if the Student requires sponsorship from the School in order to obtain a visa to study at the School. It shall be the Parents' responsibility at all times to ensure that the Student has the appropriate immigration permission to live in the United Kingdom and to study at the School and the Parents shall permit the School to take and retain copies of all documentation required to be kept by the School in order to comply with its duties as a Child Student Visa sponsor, including passport, visa, vignette and/or eVisa Share Code of the Student and, where necessary, the Parents. The School may terminate this agreement immediately where the Student does not have the appropriate immigration permission to live in the United Kingdom and to study at the School.

4	Fees
----------	-------------

- 4.1 **Additional Charges:** Additional charges incurred by the School in providing for the special educational needs of the Student may be charged as supplemental to the Fees, but only in accordance with applicable law. For example, in line with the law, we will not charge for reasonable adjustments under the Equality Act 2010.
- 4.2 **Payment of Fees:** If more than one Parent has signed the Acceptance Form, then each Parent, both on their own and together with the others shall be liable to pay the Fees directly to the School. Fees are to be paid by direct debit in accordance with the direct debit instruction. For the Michaelmas Term, the invoice must be paid by 1 August. Fees are then collected on the first day of every month. For overseas students, fees must be paid at least 10 days in advance of the first day of each term.
- 4.3 **Applicable taxes and levies:** All fees and supplementary charges ("extras") are exclusive of any taxes and levies. Such taxes and levies will be added to the invoice at the prevailing rate.
- 4.4 Fees for each Term/Month and any associated taxes and levies are due and payable as cleared funds before the commencement of the Term/Month to which they relate. If an item on the Fees invoice is under query, the balance of that Fees invoice not under query must be paid before the date specified on the invoice.
- 4.5 **Payment of Fees by a third-party:** The School may, acting in its absolute discretion, allow the payment of Fees (and any other sums as may be due to the School under this Agreement) by a person other than a Parent, such as an employer, grandparent, step-parent or third-party credit provider (**Third Party Payer**). Where the School does permit the payment of Fees by a Third Party Payer, a separate agreement will be entered into between the School and the Third Party Payer.
- 4.6 Unless an express release has been given in writing, signed by the Director of Finance to the Parents, the Parents shall at all times be liable for the payment of the Fees (and any other sums as may be due to the School under this Agreement) where the Third Party Payer fails to make any payment as may be due. The Parents agree that, should a Third Party Payer fail to make payment when due, the Parents will pay the School, within seven days of demand the total of:
- 4.6.1 the total amount of any sums owing;
 - 4.6.2 any interest as may be due on such sums owing (see clause 4.9); and
 - 4.6.3 all other costs reasonably incurred by the School which arise from the non-payment by the Third Party Payer.

- 4.7 **Refund or waiver:** Save where there is a legal liability including liability under a court order or under the provisions of this Agreement to make a refund or reduction, Fees will not be refunded, reduced or waived if:
- 4.7.1 the Student is absent through illness;
 - 4.7.2 a Term is shortened or a vacation extended;
 - 4.7.3 the Student is released home before or after public examinations or otherwise before the normal end of a Term;
 - 4.7.4 the School is temporarily closed due to adverse weather conditions; or
 - 4.7.5 for any reason other than exceptionally and at the sole discretion of the Principal in a case of genuine hardship.
- (See also Section 10 for information about events beyond the control of the parties.)
- 4.8 **Non-payment of Fees:** The School reserves the right to refuse to allow the Student, on three days' written notice, to attend School if Fees are overdue for payment. The Student may be excluded from School, four weeks after the missed payment. If the Student is refused access to the School for a period of 28 days, they will be deemed withdrawn without Notice and a Term's Fees In Lieu Of Notice will be payable in accordance with clause 9. A Student being removed from School in these circumstances is not a disciplinary matter and the right to a Governors' Appeal will not normally arise. The School may withhold any information, character references or property while Fees remain overdue but will not do so in a way that would cause direct, identifiable and unfair prejudice to the legitimate rights and interests of the Student.
- 4.9 **Late payment:** Save where alternative provisions for the payment of interest are contained in a separate consumer credit agreement made between the Parents and the School, simple interest may be charged on a day-to-day basis on Fees which are unpaid. The rate of interest charged will be up to 8% per annum over the base of the Bank of England accruing on a daily basis. This represents a genuine pre-estimate of the cost to the School of a default. The Parents shall also be liable to pay all costs, fees, disbursements and charges including legal fees and costs reasonably incurred by the School in the recovery of any unpaid Fees regardless of the value of the School's claim.
- 4.10 **Part-payment:** Any sum tendered that is less than the sum due and owing may be accepted by the School on account only. Late payment charges may be applied to any unpaid balance of Fees, as set out in clause 4.8.
- 4.11 **Appropriation:** Save where the Parents expressly state the contrary, the School shall allocate payments made to the earliest balance on the Fees account. The Parents agree that a payment made in respect of one Student may also be appropriated by the School to the unpaid account of any other child of the Parents.
- 4.12 **Instalment arrangements:** An agreement by the School to accept payment of current and/or past and/or future Fees by instalments is concessionary and will be subject to separate agreement(s) between Parents and the School. Where there are inconsistencies between this Agreement and those of any instalment agreement or invoice issued by the School to the Parents (as applicable), the terms of the instalment agreement or the invoice shall prevail.
- 4.13 **Fees in advance:** The School, acting in its absolute discretion, may enter into an arrangement with the Parents under which a lump sum advance payment of Fees is made by or on behalf of the Parents. Any such arrangement will be the subject of a separate agreement, provided by the School's finance department.
- 4.14 **Scholarships and Bursaries:** Every scholarship, bursary or other award or concession is a discretionary privilege, subject to high standards of attendance, diligence and behaviour on the Student's part and to the Parents treating the School and its staff reasonably. The terms on which such awards are offered and accepted will be notified to the Parents at the time of offer. Any value attached to a scholarship shall be deducted from Fees before any bursary or other concession is calculated or assessed. A copy of the School's *Bursaries & Scholarships Policy* is available on the School's website.
- 4.15 **Fees increases:** Fees are reviewed annually and are subject to increase from time to time. If the Parents receive less than a Term's notice of a Fees increase they may give to the School written Notice of Withdrawal of the Student within 21 days and will not be liable to pay Fees In Lieu Of Notice and the Acceptance Deposit and Additional Deposit (if paid) will be refunded without interest less any sums owing to the School.
- 4.16 **Information about Fees:** The Parents consent to the School making enquiries of the Student's previous school/s for confirmation that all sums due and owing to such school/s have been paid. The Parents also consent to the School informing any other school or educational establishment to which the Student is to be transferred if any Fees of this School are unpaid.
- 4.17 **Anti-money laundering and anti-bribery:** From time to time the School may need to obtain satisfactory evidence of the identity of a person who is paying Fees, such as a passport and proof of address. The School will not accept payment of Fees in cash. The Parents will comply with the School's *Anti-Bribery and Corruption Policy*, a copy of which is available from the School on written request.

5	Educational matters
5.1	Provision of education: The School will do all that is reasonable to provide an educational environment and teaching of a range, standard and quality which is suitable for the Student and to provide education to at least the standard required by law in the particular circumstances. The School will exercise reasonable care and skill in providing educational services for the Student but cannot guarantee that the Student will achieve their desired examination results or that results will be sufficient to gain entry to other educational establishments.
5.2	Organisation of the curriculum: The School reserves the right to organise the curriculum and its delivery in a way which, in the professional judgement of the Principal, is most appropriate to the School community as a whole. The School shall endeavour to inform the Parents of changes and the reasons for them as soon as practicable. If the Parents have specific requirements or concerns about any aspect of the Student's education or progress they should contact the Student's tutor or other appropriate member of staff as soon as possible, or contact the Principal in the case of a serious concern.
5.3	Progress reports: The School shall monitor the Student's progress and shall report regularly to those who have Parental Responsibility by means of grades, full written reports and parents' meetings. Note that these rights are subject to the terms of any court order which shall take precedence in all circumstances.
5.4	Sex education: The Student will receive health and life skills education appropriate to the Student's age in accordance with the curriculum from time to time unless the Parents have given formal notice in writing that they do not wish the Student to take part in this aspect of the curriculum.
5.5	Public examinations: The Principal may, after consultation with the Parents and the Student, decline to enter the Student's name for a public examination if, in the exercise of professional judgement, the Principal considers that by doing so the Student's prospects in other examinations would be impaired and/or if the Student has not prepared for the examination with sufficient diligence (for example, because the Student has not worked or revised in accordance with advice or instruction from their tutors).
5.6	Reports and references: Information supplied to the Parents and others concerning the progress and character of the Student, and about examination, further education and career prospects, and any references shall be given conscientiously and with all due care and skill but otherwise without liability on the part of the School.
5.7	Learning difficulties: The School shall do all that is reasonable to detect and deal appropriately with a learning difficulty which is considered to be a "special educational need". The School staff is not, however, qualified to make a medical diagnosis of conditions. For further information and clarification on the arrangements for students with a special education need, please refer to the School's <i>Special Educational Needs Policy</i> which is available on our website.
5.8	Screening for learning difficulties: The screening tests available to schools are indicative only; they are not infallible. The Parents will be notified if a screening test indicates that the Student may have a learning difficulty. A formal assessment can be arranged by the School at the Parents' expense or by the Parents themselves.
5.9	Information about learning difficulties: The Parents shall notify the School when completing the Confidential Information Form and subsequently in writing if they are aware or suspect that the Student has a learning difficulty. Parents must provide the School with all relevant information, prior to Entry. Copies of any specialist reports (e.g. speech and language or educational psychologist report) must be provided, as well as information relating to any access arrangements that may be required (e.g. due to a disability). After the Student joins the School, Parents are expected to provide the School with a copy of subsequent specialist reports within 2 weeks of the Parent receiving the report; this will enable the School to support the Student in the best way possible. The Parents will be asked to Withdraw the Student, without being charged Fees In Lieu Of Notice if, in the professional judgement of the Principal and after consultation with the Parents and with the Student (where appropriate), the School is unable to provide adequately for the Student's special educational needs.
5.10	Additional charges incurred by the School in providing for the special educational needs of a Student may also be charged as an Extra to the Fees. No charge will be levied where additional teaching is a reasonable adjustment under the Equality Act 2010.
5.11	Moving up the School: There is no automatic transfer between divisions; the School is an academically selective school for ages 1-18 and there are expectations of good conduct, which must also be met. Entry to the Pre-Prep Division, Preparatory Division, Girls' & Boys' Divisions and Sixth Form is subject to the entry criteria detailed in the <i>Admissions Policy</i> . It is assumed that if the Student is in the School and satisfies the relevant behavioural and academic criteria at the time they will progress through to the next division. Parents will be consulted, as per the timescales in the <i>Admissions Policy</i> , if there appears to be any reason why the Student may be refused a place in the next division of the School.
5.12	Save where clause 9.5 applies or where the Student will leave at the end of Year 6, Parents who do not wish a Student to progress to the next division must give a Term's Written Notice (i.e. before the start of the Trinity Term) in accordance with the provisions about Notice in clause 9 below, or a Term's Fees In Lieu Of Notice will

be payable.

- 5.13 **School's intellectual property:** Where the Student, in conjunction with any member of staff, creates anything (including a work, a design, an invention, a database, a trade mark or goodwill) (**Work**) in respect of which any intellectual property exist, the School reserves all its rights in such intellectual property. The Student will retain all intellectual property rights to Work produced solely by them.
- 5.14 **Student's work:** The Parents' consent for themselves and (so far as they are entitled to do so) on behalf of the Student to the School retaining the Student's original work until, in the professional judgement of the Principal, it is appropriate to release the work to the Student. Certain coursework may have to be retained for longer than other work in order to reduce the risk of cheating. The School will take reasonable care to preserve the Student's work undamaged but accepts no liability for loss or damage caused to a Student's original work by an event outside of our reasonable control.
- 5.15 **Educational visits:** A variety of educational visits will be provided for the Student. By signing the Acceptance Form the Parents consent to the Student taking part in any educational visit. Educational visits which:
- 5.15.1 cost more than £50;
 - 5.15.2 require overseas travel;
 - 5.15.3 involve an overnight stay;
 - 5.15.4 occur during a weekend or School holiday;
 - 5.15.5 involve some element of high risk or adventure activity,

will be subject to a separate agreement. The cost of such a visit will usually be payable in advance. The Student shall be subject to School discipline in all respects whilst engaged in an educational visit. All additional costs (such as medical costs, taxis, airfares, or professional advice) incurred to protect the Student's safety and welfare, or to respond to breaches of discipline, will be added to the Fees invoice. The School reserves the right to prevent the Student from taking part in an educational visit while overdue Fees remain unpaid.

6	Pastoral care
----------	----------------------

- 6.1 **The School's commitment:** We will do all that is reasonable to safeguard and promote the Student's welfare and to provide pastoral care to at least the standard required by law in the particular circumstances.
- 6.2 **Complaints:** Any complaint in respect of the School's provision of educational services or the performance of any of its obligations under this Agreement must be made in accordance with the School's *Complaints Procedure*, a copy of which will be supplied on request. See also clause 8.19.
- 6.3 **Student's rights:** The Student, if of sufficient maturity and understanding, has certain legal rights that the School must observe. These include the right to give or withhold consent in a variety of circumstances and certain rights to confidentiality and, usually, the right to have contact with the Parents. If a conflict of interest arises between the Parents and the Student, the rights of and duties owed to the Student will in most cases take precedence over the rights of and duties owed to the Parents.
- 6.4 **Principal's authority:** The Parents authorise the Principal to take and/or authorise in good faith all decisions which the Principal considers on proper grounds will safeguard and promote the Student's welfare. Please also refer to clause 7.
- 6.5 **Ethos:** The ethos of the School is to foster good relationships between students and between members of staff, students and parents. Bullying, harassment, victimisation and/or discrimination will not be tolerated. The School and its staff will act fairly and courteously in relation to the Student and the Parents and we expect the same of the Student and the Parents in relation to the School and/or its staff.
- 6.6 **Physical contact:** The Parents consent to such physical contact with the Student:
- 6.6.1 as may accord with good practice;
 - 6.6.2 as may be appropriate and proper for teaching and instruction;
 - 6.6.3 for providing comfort to the Student in distress;
 - 6.6.4 to maintain safety and good order; or
 - 6.6.5 in connection with the Student's health and welfare.
- 6.7 **Participation in sport:** Unless the School is notified in writing to the contrary, the Parents consent to the Student participating, under supervision, in contact sports and in other normal sports and activities which may entail some risk of physical injury. In the absence of negligence or other breach of duty by the School, the School shall have no liability whatsoever, for any harm a Student may suffer in participating in contact sports or other sports or physical activities.
- 6.8 **Disclosures:** The Parents must, as soon as possible, disclose to the School in confidence:
- 6.8.1 any known medical condition, health problem or allergy affecting the Student;
 - 6.8.2 any history of a learning difficulty on the part of the Student;

- 6.8.3 any disability, special educational need or any behavioural, emotional difficulty and/or social difficulty on the part of the Student;
- 6.8.4 any family circumstances or court order which might affect the Student's welfare or happiness which would include any court order or undertaking given to a court which may deal with or impact upon in any way:
 - 6.8.4.1 the Student's living and/or contact arrangements;
 - 6.8.4.2 the Student's education, welfare and/or upbringing;
 - 6.8.4.3 the payment of Fees and/or supplemental charges;
 - 6.8.4.4 the Parents' exercise of Parental Responsibility in respect of the Student;
 - 6.8.4.5 any concerns about the Student's safety; and/or
 - 6.8.4.6 any change in the financial circumstances of the Parents in receipt of a bursary from the School.
- 6.9 In respect of any information as referred to in clause 6.8.4, the Parents must (whether upon request or otherwise) promptly provide the School with relevant information, including copies of the relevant court order(s) or undertaking(s) (or the relevant parts of them) having obtained the permission of the court if necessary.
- 6.10 **Confidentiality:** The Parents authorise the Principal to override their own and (so far as they are entitled to do so) the Student's rights to confidentiality, and to impart confidential information on a need-to-know basis where necessary to safeguard or promote the Student's welfare or to avert a perceived risk of serious harm to the Student or to another person at the School. In some cases, members of staff may need to be informed of any particular vulnerability the Student may have. The School reserves the right to monitor the Student's use of:
 - 6.10.1 email;
 - 6.10.2 the internet; and
 - 6.10.3 mobile electronic devices.
- 6.11 In respect of the School's monitoring of Students emails etc., please refer to the School's *Acceptable Use of Technology Procedure*, a copy of which is available on request.
- 6.12 **Special precautions:** The Principal needs to be aware of any matters that are relevant to the Student's safety and security. Parents must therefore notify the Principal, in writing, immediately of any court orders or situations of risk in relation to the Student for whom any special safety precautions may be needed. Parents may be excluded from School premises if the Principal, acting in a proper manner, considers such exclusion to be in the best interests of the Student or any other member of the School community. Please see the School's *Change in Family Circumstances Policy* a copy of which is available on request.
- 6.13 **Leaving School premises:** The School will do all that is reasonable to ensure that the Student remains in the care of the School during School hours, but note that the School cannot legally prevent a Student aged 16 years or over from leaving the School premises during School hours. Save for death or personal injury caused by its negligence or breach of other statutory duty, the School cannot accept any responsibility for the welfare of the Student whilst off the School premises unless they are taking part in a School activity or are otherwise under the supervision of a member of School staff.
- 6.14 **Residence during Term time:** The Student, except when boarding, is required during Term time and at weekends, optional exeats (permitted periods of time away from School) and half term, to live with either, a Parent, a legal guardian or an education guardian (but please see 6.16 below). The Principal or the Head of Division (as applicable) must be notified in writing immediately if the Student will be residing during Term time under the care of someone other than the Parents or the education guardian.
- 6.15 **Communications from the Parents:** Communications or instructions from one of the Parents or any person with Parental Responsibility shall be deemed by the School to be received from all Parents. This requirement does not apply to contractual matters such as giving of Notice for the Cancellation of the place or the Withdrawal of the Student from the School. Those persons who are required to consent to or to give Notice of Cancellation or Withdrawal are set out in clause 9. Please refer to the School's *Change in Family Circumstances Policy*, a copy of which is available on request.
- 6.16 **Absence of the Parents:** When all the Parents will be absent from the Student's home overnight or for a 24-hour period or longer, the Parents are required to nominate a 'responsible adult' for the School to contact during your absence. - 6.17 **Education Guardians:** The Parents, if resident outside the United Kingdom, must before Entry appoint an Education Guardian for the Student in the United Kingdom who has been given legal authority to act on behalf of the Parents in all respects and to whom the School can apply for authorities when necessary. The School can accept no responsibility for the Student when in the care of the Parents or the education guardian. The Parents or the education guardian must make holiday arrangements, including travel to and from the School, in advance. The responsibility for choosing an appropriate education guardian rests solely with the Parents. The Parents are responsible in each case for satisfying themselves as to the suitability of an education guardian. The Parents shall

immediately on appointment provide the School with up to date contact details for the appointed Education Guardian and shall immediately notify the School of any changes to those details. The appointed guardian will be required to sign the School's *Educational Guardian Policy* (a copy of which is available upon request) and uphold the terms within it.

- 6.18 **Responsible Adult:** In addition to the terms of clause 6.17, the School requires Parents to nominate a responsible adult for the School to contact when Parents are absent or otherwise cannot be contacted. The Parents must comply with the School Medical Officer's recommendations, which may include a reasonable decision to release the Student home when they are unwell. If you withhold from the School or otherwise misrepresent to us information of this nature in particular, please be aware that this may result in us exercising our right to end this Agreement under 9.17 below.
- 7.2 **Medical care:** If the Student is in full boarding, they must be registered on the list of the School medical officer while a student at the School. If the Student is in weekly boarding, the Parents may register them on the list of the School medical officer while a student at the School.
- 7.3 **Medical examination:** The Student if boarding will have a routine medical examination with the School medical officer or other doctor appointed by them, usually during their first Term at the School. Arrangements can be made on request for the Parents to be present but this is subject to the Student's consent if the Student is of sufficient maturity and understanding.
- 7.4 **Student's health:** The Principal or the Head of Division (as applicable) may at any time require a medical opinion or certificate as to the Student's general health where the Principal or the Head of Division considers it necessary, as a matter of professional judgement in the interests of the Student and/or the School community. The Student, if of sufficient age and maturity, is entitled to insist on confidentiality which can be overridden in the Student's own interests or where necessary for the protection of other members of the School community.
- 7.5 **Medical information:** Throughout the Student's time as a member of the School, the School medical officer shall have the right to disclose confidential information about the Student if it is considered to be in the Student's own interests or necessary for the protection of other members of the School community. - 7.6 **Emergency medical treatment:** The Parents authorise the Principal to consent on their behalf to the Student receiving emergency medical treatment including, unless they have specified in writing to the contrary, blood transfusions within the United Kingdom, general anaesthetic and operations performed by the National Health Service or at a private hospital and where certified by an appropriately qualified person as necessary for the Student's welfare and if the Parents cannot be contacted in time.

8 Behaviour and discipline

- 8.1 **School regime:** The Parents accept that the School will be run in accordance with the authorities delegated by the Governing Body to the Principal. The Principal is entitled to exercise a wide discretion in relation to the School's policies, rules and regime and will exercise those discretions in a reasonable and lawful manner, and with procedural fairness when the status of the Student is at issue.
- 8.2 **Conduct and attendance:** We attach importance to courtesy, integrity, good manners, good discipline and respect for the needs of others. The Parents will do all they can to ensure that the Student will: take a full part in the activities of the School; attend each School day; be punctual; work hard; be well- behaved; and comply with the School *Code of Conduct* and *Behaviour Policy* (including the wearing of uniform and general appearance).
- 8.3 **School Code of Conduct and Behaviour Policy:** The School's *Code of Conduct* and the *Behaviour Policy* which applies is set out on the School website. The Parents are requested to read this document carefully with the Student before they accept the offer of a place.
- 8.4 **School discipline:** The Parents accept the authority of the Principal or the Head of Division (as applicable) and of other members of staff on the Principal's behalf to take all reasonable disciplinary or preventative action necessary to safeguard and promote the welfare of the Student and the School community as a whole. The School's *Code of Conduct* and *Behaviour Policy* which is current at the time and published on the School's website applies to all students when they are on School premises, or in the care of the School, or wearing School uniform, or otherwise representing or associated with the School.
- 8.5 **Investigative action:** A complaint or rumour of misconduct will be investigated. The Student may be questioned and their accommodation or belongings may be searched in appropriate circumstances. Parents are informed as soon as reasonably practicable after it becomes clear that the Student may face formal disciplinary action, and also to make arrangements for the Student to be accompanied and assisted by the Parents, education guardian or a teacher of the Student's choice.
- 8.6 **Procedural fairness:** Investigation of a complaint that could lead to Permanent Exclusion, Removal or Withdrawal of the Student in any of the circumstances explained below shall be carried out in a fair and unbiased manner. All reasonable efforts will be made to notify the Parents or education guardian so that they can attend a meeting with the Principal or the Head of Division (as applicable) before a decision is taken in such a case. In the absence of the Parents or education guardian, the Student will be assisted by an adult (usually a teacher) of their choice.
- 8.7 **Divulging information:** Except as required by law, the School and its staff shall not be required to divulge to the Parents or others any confidential information or the identities of students or others who have given information which has led to the complaint or which the Principal or the Head of Division (as applicable) has acquired during an investigation.
- 8.8 **Drugs and alcohol:** The Student may be given the opportunity to provide a biological sample under medical supervision as part of the School's random drugs testing programme or if involvement with drugs is suspected. The School may require the Student to provide a sample of breath to test for alcohol consumed in breach of School rules or policy. A sample or test in these circumstances will not form part of the Student's permanent medical record.
- 8.9 **Sanctions:** The School's current policies on sanctions are available to the Parents on the School website. Those policies may undergo reasonable change from time to time but will not authorise any form of unlawful activity. Sanctions may include a requirement to undertake menial but not degrading tasks on behalf of the School or external community, detention for a reasonable period, withdrawal of privileges, gating, suspension, or alternatively being removed or expelled.
- 8.10 **Definitions of sanctions:** The definitions in this clause apply in this Agreement.
- 8.10.1 **Permanent Exclusion:** means that the Student is required to leave the School permanently in circumstances described in clause 8.11.

8.10.4 **Withdrawal:** has the meaning set out in clauses 9.111 and 9.122.

- 8.11 **Permanent Exclusion:** The Student may be excluded permanently from the School if it is proved on the balance of probabilities that the Student has committed a grave breach of discipline or serious misconduct. Please also refer to the *Code of Conduct* and *Behaviour Policy*. Permanent Exclusion is reserved for the most serious breaches. The Principal or Head of Division shall act with procedural fairness in all such cases. The Principal's decision to permanently exclude shall be subject to a Governors' Appeal Meeting if requested by the Parents within seven days. The Parents will be given a copy of the Governor's Appeal procedure current at the time. The Student shall be suspended from the School pending the outcome of the Governor's Appeal. See clause 8.17 and clause 8.18.
- 8.12 **Fees following Permanent Exclusion:** If the Student is expelled, there will be no refund of the Acceptance Deposit or of Fees for the current or past Terms but the Additional Deposit, if paid, will be refunded without interest less any sums owing to the School. There will be no charge to Fees In Lieu Of Notice but, save for any contrary provisions in any other agreement made between the Parents and the School, all arrears of Fees and any other sums due to the School will be payable.
- 8.13 **Removal in other circumstances:** The Parents may be required to Remove the Student permanently from the School, or from boarding, if after consultation with the Parents, and if appropriate with the Student, the Principal is of the opinion that by reason of the Student's conduct, behaviour or progress, the Student is unwilling or unable to benefit sufficiently from the educational opportunities and/or the community life offered by the School. In these circumstances, and at the sole discretion of the Principal, Withdrawal of the Student by the Parents may be permitted as an alternative to Removal being required. The Principal shall act with procedural fairness in all such cases, and shall have regard to the interests of the Student and the Parents as well as those of the School. The Principal's decision to require the Removal of the Student shall be subject to a Governors' Appeal if requested by the Parents. The Parents will be given a copy of the review procedure current at the time. The Student shall be suspended from the School pending the outcome of the review (See clause 8.17 and clause 8.18).
- 8.14 **Termination of this Agreement due to breach of conduct:** There is an expectation that the Parents will behave courteously, reasonably and with respect shown to staff and students at the School. If the Parents engage in aggressive, abusive, dishonest or obscene behaviour or language towards staff or other members of the School's community, this may constitute a fundamental breach of this Agreement. The School will not tolerate abusive language or behaviour towards its staff, to whom it has a duty of care. Serious parent misconduct may result in termination of this Agreement by the Principal, with or without notice (in the case of notice, this would be one full Term). Regard will be given for the wellbeing and best interests of the Student in relation to the timing of the Student's departure and assistance with school transfer.
- 8.15 **Fees following Removal from the School:** If the Student is removed or withdrawn from the School in the circumstances described in clause 8.13, the provisions relating to Fees shall be as set out in clause 8.12 save that the Acceptance Deposit and the Additional Deposit, if paid, will be refunded without interest less any sums owing to the School.
- 8.16 **Leaving status:** The School reserves the right to record the leaving status of the Student on the Student's file immediately after Permanent Exclusion or Removal or Withdrawal.
- 8.17 **Governors' Appeal:** The Parents may request a review by Governors of a decision to Permanently Expel or require the Removal of the Student from the School or from boarding (but not a decision to suspend the Student unless the Suspension is for 11 School days or more, or would prevent the Student taking a public examination). The request shall be made as soon as possible and in any event within seven days of the Principal's decision being notified to the Parents. The Parents will be entitled to know the names of the Governors who make up the appeal panel.
- 8.18 **Governor's Appeal procedure:** The Principal will advise the Parents of the procedure (current at that time) under which a Governors' Appeal shall be conducted by a panel of three Governors. If the Parents request a Governors' Appeal, the Student will be suspended from School until the review procedure has been completed. While suspended, the Student shall remain away from School and will have no right to enter School premises during that time without written permission from the Principal. A Governors' Appeal will be conducted under fair procedures in accordance with the requirements of natural justice.
- 8.19 **Complaints procedure:** A complaint about any matter of School policy or administration not involving a Permanent Exclusion or Removal of the Student must be made in accordance with the School's *Complaints Procedure*, a copy of which is available on request. 9.1 In this clause the following definitions apply:

9.1.1 **Term:** means the period between and including the first and last days of the relevant School term;

9.1.2 **Notice:** means a Term's Written Notice, except where the child is at School in the Nursery on a full year basis, which is invoiced and paid monthly. In this latter case, a Month's notice is required. A notice of withdrawal of your child, served under this Agreement, must be in writing and signed by each person with Parental Responsibility (and the School shall be entitled not to accept such notice unless and until all holders of Parental Responsibility have signed such notice). Written Notice will be binding;

9.1.3 **Cancellation:** means the cancellation of a place at the School which has been accepted by the Parents and which occurs before the Student Enters the School or where the Student does not Enter the School;

9.1.4 **Withdrawal:** means the withdrawal of the Student from the School by the Parents or the Student with or without Notice required under this Agreement at any time after the Student has entered the School (and the term **Withdrawn** shall be construed accordingly). Please see clause 3.1 for details of when Entry to the School occurs. See also clause 4.8, clause 9.11 and clause 9.12.

9.2 Save for in relation to a Student's progression to Sixth Form (where clause 9.5 shall apply), Notice must be received before the first day of Term/Month addressed to and received by the Principal or the Head of Division (as applicable). The Parents should contact the School if no acknowledgement of the Notice is received from the School within 14 days of the date of Notice. It is expected that the Parents will consult with the Principal or the Head of Division before giving Notice to withdraw the Student.

9.3 Where a Student is being withdrawn from School, Parents must notify the School of the Student's destination school, in writing. If the School is not aware of the Student's destination, it is required to notify the local authority once the Student has left the School roll.

9.4 Notice must be given if:

9.4.1 the Parents wish to cancel the place after acceptance; or

9.4.2 the Parents wish to withdraw the Student who has entered the School; or

9.4.3 the Parents or the Student wish(es) to transfer from boarding to day status or from full boarding to weekly boarding status (please see clause 9.14).

9.5 **Progression to the Sixth Form:** In respect of progression to the Sixth Form only, Notice must be given by 28 February in Year 11 if the Parents do not wish the Student to progress to the Sixth Form or a Term's Fees In Lieu Of Notice will be payable.

9.6 **Fees In Lieu Of Notice:** In circumstances where the Parents have **not** given a Term/Month's (for Nursery) Written Notice, Fees In Lieu Of Notice are payable. One Term's Fees In Lieu Of Notice represents a genuine pre-estimate of the School's loss in these circumstances, and sometimes the actual loss to the School will be much greater. This rule is necessary to promote stability and the School's ability to plan its staffing and other resources.

9.7 **Cancellation rights:** If the offer of a place and its acceptance are both made entirely at distance by means of post or electronic communication, the Parents may cancel this Agreement at any time within 14 days of the date they accept a place at the School in accordance with clause 3.3. In such circumstances the Acceptance Deposit and the Additional Deposit, if paid, will be refunded together with any Fees paid pro-rated if the School has provided any educational services under this Agreement.

9.8 **Cancelling acceptance:** The Cancellation of the place after acceptance can cause long-term loss to the School if it occurs after other families have taken their decisions about schooling for their children. A genuine pre-estimate of loss is Fees for between one and five years. Nonetheless, save where clause 9.7 or 9.10 applies, the School agrees to limit the liability of the Parents as follows:

9.8.1 if less than a Term/Month's Written Notice of Cancellation has been given and the School place cannot be filled immediately and without loss to the School, one Term/Month's Fees at the rate payable for the Term/Month of Entry, less the Acceptance Deposit, payable as a debt immediately and the School reserves the right to offset the Additional Deposit, if paid, against the Term/Month's Fees; or

9.8.2 if a Term/Month's Written Notice has been given or the School place can be filled without loss to the School, the Acceptance Deposit.

9.9 Cases of serious illness or genuine hardship may receive special consideration on written request.

9.10 **Cancelling a place offered in the Term before Entry:** Save where clause 9.7 applies, if the offer of a place is made in the Term immediately prior to the Term of Entry the Parents may cancel their acceptance in writing at any time up to four weeks from the date of the Acceptance Form. The Acceptance Deposit will then be retained by the School. If the Parents give Notice of Cancellation after this date or give no Notice of Cancellation they will incur a liability to pay one Term/Month's Fees at the rate payable for the Term/Month of Entry, less the Acceptance Deposit, payable as a debt. The School reserves the right to offset the Additional Deposit, if paid, against the Term's Fees.

- 9.11 **Withdrawal by the Parents:** If the Student is Withdrawn on less than a Term/Month's Written Notice, or excluded for more than 28 days for non-payment of Fees as set out in clause 4.8, Fees In Lieu Of Notice less the Acceptance Deposit will be due and payable as a debt immediately unless the place is filled immediately and without loss to the School. The School reserves the right to offset the Additional Deposit, if paid, against the Term's Fees.
- 9.12 **Withdrawal by the Student:** The Student's decision to withdraw from the School shall, for these purposes, be treated as a Withdrawal by Parents and clause 9.11 shall apply.
- 9.13 **Prior consultation:** Parents, or duly authorised education guardian, are to consult personally with the Principal or with the Principal's authorised deputy before Notice of Withdrawal is given by the Parents.
- 9.14 **Change of boarding to day status:** The Parents must first obtain the express permission of the Principal, in writing, if the Parents or the Student wishes to change from boarding to day status, or from full boarding to 4-6 nights. At the discretion of the Principal, the School has the right to postpone or refuse a transfer request, and the Principal will consider the best interests of the Student and the School in reaching the decision. Any such place is subject to the availability of places. Once permission has been received, the Parents must give a half a Term's Written Notice for 1-3 nights of flexible boarding, or one Term's Written Notice for 4-6 nights or full boarding, of the change. If a Term's Written Notice is not received, the difference between the rate applicable for the current type of place and the new type of place for the next Term will be payable as a debt immediately unless the place is filled immediately and without loss to the School.
- 9.15 **Discontinuing extra tuition:** A Term's Written Notice is required to discontinue extra tuition or a Term's Fees for the extra tuition will be immediately payable in lieu as a debt.
- 9.16 **Termination by the School:** The School may terminate this Agreement on one Term's written notice (save for where the Student is in the Nursery Division where only one Month's written notice shall be required) sent by email or via post. The School will not terminate this Agreement without good cause and full consultation with the Parents and also the Student (if of sufficient maturity and understanding). The Acceptance Deposit and the Additional Deposit, if paid, will be refunded without interest less any outstanding balance of Fees.
- 9.17 **Termination by the School for parental misconduct:** Without prejudice to the provisions of clause 8.11, 8.13 and 9.16, the School may terminate this Agreement immediately on notice if the Principal is of the opinion (acting reasonably, but in their absolute discretion) that the Parents (or any education guardian appointed by them) have:
- 9.17.1 breached the Code of Conduct for Parents, Guardians and Visitors
 - 9.17.2 acted in an abusive or harassing manner in respect of any of the School's staff;
 - 9.17.3 not sufficiently cooperated with the School to enable the School to carry out its obligations under this Agreement;
 - 9.17.4 made a serious misrepresentation of facts or circumstances to us;
 - 9.17.5 withheld important information from the School about themselves and/or their child that is relevant to the provision of education by the School to their child, including misrepresenting at any point in time (and whether by act, omission or withholding of information on your part) that:
 - 9.17.5.1 they and/or their child is legally entitled to enter, reside and/or study in the United Kingdom when in fact they/their child is not; or
 - 9.17.5.2 any information about their child's health, medical condition, special educational needs, disability or allergies; or
 - 9.17.6 acted in a way which appears to condone the abuse of any drug by a Student.
- 9.18 **No right to Governors' Appeal for termination pursuant to clause 9.17:** The Parents shall have no right to a Governors' Appeal if this Agreement is terminated pursuant to clause 9.17.
- 9.19 **Fees following termination pursuant to clause 9.17:** If this Agreement is terminated pursuant to clause 9.17, there will be no refund of the Acceptance Deposit or the Fees for past Terms, or the Fees for the half term in which the termination occurs but the Additional Deposit (if paid) and any other Fees paid in advance will be refunded without any interest less any sums owing to the School. There will be no charge to Fees In Lieu Of Notice but, save for any contrary provisions in any other agreement made between the Parents and the School, all arrears of Fees and any other sums due to the School will be payable.

10	Events beyond the control of the parties
-----------	---

- 10.1 **Force Majeure:** An event beyond the reasonable control of the School or the Parents is a Force Majeure Event and shall include such events as an act of God, fire, flood, storm, war, riot, civil unrest, act of terrorism, strikes, industrial disputes, outbreak of epidemic or pandemic of disease, failure of utility service or transportation.
- 10.2 **Notification:** If either the School or the Parents is prevented from or delayed in carrying out its contractual

obligations by a Force Majeure Event, that party shall immediately notify the other in writing and shall be excused from performing those obligations while the Force Majeure Event continues.

- 10.3 **Continued Force Majeure:** If a Force Majeure Event continues for a period greater than 90 days, the party who has provided notification under clause 10.2 shall notify the other of the steps to be taken to ensure performance of its contractual obligations.
- 10.4 **Termination:** If the Force Majeure Event continues for a total period greater than 120 days, the party in receipt of notification under clause 10.2 may terminate this contract by providing at least three working days' notice in writing to the other party.

11	General contractual matters
-----------	------------------------------------

- 11.1 **Data protection:** The School will process personal data about Parents and Students in compliance with applicable data protection laws, including the General Data Protection Regulation, Data Protection Act 2018 and the Privacy and Electronic Communications Regulations (in each case as amended or updated from time to time and including any successor legislation introduced as a result of the UK ceasing to be a member of the European Union). In addition, The School may need to make changes relating to its constitution (including the legal entity that owns and runs the School). Provided any proposed transfer will not affect the Parents' rights under this Agreement, the School may transfer its rights and obligations under this Agreement in connection with any such transfer and/or amalgamation. However, should the transfer affect the Parents' rights under this Agreement, the provisions of clause 11.3 shall apply.

- 11.3 **Consultation:** It is not practicable to consult with the Parents and the Student over every change that may take place. However, where the proposed change will have a material effect on the educational services the School provides, the School shall use its reasonable endeavours to:

- 11.3.1 consult the Parents on the proposed change; and
11.3.2 give at least one Term's written notice of the proposed change.

- 11.4 Where the School gives a Term's written notice of any proposed change in accordance with clause 11.3, Parents who do not agree with the change may give a Term's Written Notice to end this Agreement in accordance with clause 9.4.2.

- 11.5 Where the School fails to give a Term's written notice of any proposed change then the Parents who do not agree to the proposed change may end this Agreement at any time on giving written notice to the School. In such circumstances Parents shall have no liability to the School and shall be refunded all sums paid in advance to the School in respect of educational services not provided by the School.

- 11.6 **Consumer rights:** Care has been taken to use plain language and to give clear explanations in this Agreement. Nothing in this Agreement will reduce your statutory rights relating to the provision of educational services. For further information about your statutory rights you should contact your local Citizens Advice Bureau or otherwise seek appropriate professional advice.

- 11.7 **Information for Parents:** We provide parents of prospective students with information about the School and the educational services we deliver in good faith. Whilst the School makes every effort to ensure that the information provided is accurate, it is for illustrative purposes only.

- 11.8 **Third party rights:** Only the School and the Parents are parties to this Agreement. Neither the Student nor any third party is a party to this Agreement and shall not have any rights to enforce any term of it.

- 11.9 **Interpretation:** We reserve the right to change or add to this Agreement from time to time for legal, safety or other substantive reasons or in order to assist the proper delivery of education at the School. This Agreement supersedes any previously in force and will be construed as a whole. Headings, unless required to make sense of the immediate context, are for ease of reading only and are not otherwise part of this Agreement. Parents will be notified of substantial changes to this Agreement.

- 11.10 **The law that applies to this Agreement:** This Agreement is governed by English Law and you can bring legal proceedings in respect of it in the English courts. If you live in Scotland you can bring legal proceedings in respect

of it either in the Scottish or English courts. If you live in Northern Ireland you can bring legal proceedings in respect of it in either the Northern Irish or the English courts.

- 11.11 **Rights in relation to the enforcement of this Agreement:** If we choose not to enforce any part of this Agreement, or delay enforcing it, this will not affect our right to enforce the same part later (or on a separate occasion) or the rest of this Agreement. If we cannot enforce any part of this Agreement, this will not affect our right to enforce the rest of this Agreement.
